

MT. OLIVES

HOME HEALTH SERVICES

Your health is the most prized possession in life. So whether you are going through the normal effects of aging or recovering from an injury, always choose what is best for your overall condition. Opt to enhance your well-being in the comforts of your home with the right home health care provider.

This is when we at Mt. Olives Home Health Services can take part in that process. We are committed to providing you with high-quality, personalized care in your household to help you achieve a maximum level of health.

”

Mission Statement

It is our mission to improve the quality of life and well-being of our patients by focusing on a patient-centered approach to home health care and at the same time, customizing our services to meet their healthcare needs.

Vision Statement

We envision to become a trusted and the leading choice of home health care in Maryland.

Mt. Olives Home Health Services

Mt. Olives Home Health Services proudly serves Lanham, Maryland and its neighboring communities.

Mt. Olives Home Health Services is a home health care provider located in Lanham, Maryland. Our services are open to the aging population, including individuals recovering from an injury.

We believe that the home is the best place to heal and relax from an illness, injury, or any aging effects. It is the place where our patients are comfortable and can become better, which is why we take our care right in the home of our clients. As such, we are bound to offer them comfort and quality care by taking time in understanding their specific needs.

Licensed as a Residential Services Agency by the Maryland Department of Health and Mental Hygiene, Office of Healthcare Quality

Our efforts are made possible by our team of healthcare professionals who are highly skilled and experienced in the field. All of our staff members are carefully screened by running a series of criminal background checks to ensure that we are equipped with the right individuals who can effectively deliver our brand of care. We also conduct regular training and assessment for each of our employees to constantly enhance our services to the current standards and principles in home health care.
